Newsletter for September 2017

Director's Musings

September! Where did summer go? I didn't get to all the car events that I wanted to attend. Oh well it gives me something to look forward to next year – like going to the BCA National Meet in Denver. If you haven't thought about it or are thinking but haven't made plans – now is the time. Make those hotel reservations, register and if interested, check with other members to caravan to Denver. The national meets are great fun and interesting as well.

On August 29th we held a meeting at the Wagers – thanks to Konnie & Jack for hosting. After a great potluck BBQ we got down to business. We had scheduled the meeting to have a recap of the recent All Buick Show on August 5th. Then, we discussed what to do next year--whether to hold it or not. If it is to happen we need to be planning and making arrangements now – not next spring.

Picnics, tours and other group events were talked about with no conclusions or decisions made. As it was getting late it was decided that we would get together again at the Wagers on September 26th at 6:30 for a dessert social. Please come to this meeting with your ideas about what you would like to see our BCA chapter do in the future – ABS, tours, picnics, events. If there is to be an ABS there needs to be a volunteer or volunteers to lead the efforts.

Everyone should look for the info from Jack and Konnie as to what to bring.

If anyone is looking for a great Buick – I know of a couple that are currently for sale and may be just what you are looking for – give me a call. Remember you can never have too many!
